- **DO NOT have anything by mouth 3 hours prior to your procedure (this includes water, gum, candy, chewing tobacco, snuff or food items).**
- **EXCEPTION:** If there are prescribed medications that you **NEED** to take the morning of the procedure, please do so with a small sip of water **AT LEAST 3 hours prior** to your procedure. Do not take **anything** by mouth starting 3 hours prior to your procedure.
- **DIABETICS:** Do not take **ANY** insulin or oral diabetic medication the morning of your procedure, unless otherwise directed by your gastroenterologist.
- Use of illicit drugs including Marijuana/THC within 24 hours of procedure could result in cancellation.
- If you use an inhaler, bring it with you to your procedure.
- If you wear contacts, be prepared to remove them or wear glasses.
- Please do not wear jewelry (including body piercings) or wear lotion to the center.
- **DO NOT USE ILLICIT DRUGS, INCLUDING MARIJUANA/THC, ON THE DAY OF YOUR PROCEDURE. IF YOU DO, YOUR PROCEDURE WILL BE CANCELED, AND YOU WILL INCUR CANCELLATION FEES.**
- Plan to be at the facility for 3-4 hours.

This procedure requires sedation. Therefore, a driver (age 18 or over) must accompany you to your appointment. The person who is driving you home must remain at the facility while your procedure is being performed so that they are available to receive discharge instructions and pertinent medical information, as well as possibly assist you with dressing. You may not go home in a taxi, rideshare (Uber/Lyft), or take public transportation. The sedation you will receive will prevent you from driving safely or working the rest of the day of your procedure. Following your procedure, do not drive, operate heavy machinery or sign legal documents for 24 hours.

NO DRIVER = NO PROCEDURE

If you have any questions or concerns about the preparation, please contact your procedure scheduling coordinator by calling 678.741.50000 or visit our website at <https://www.gigeorgia.com/prep/>
